

# Warren Band Boosters

## Music In The Parks

### **MUSIC IN THE PARKS**

We need your help at Music In the Parks! Our Warren Band Program earns money by hosting bands and choirs at our O'Plaine campus to perform/compete in Music in the Parks. Those bands and choirs then spend the day/weekend at Six Flags Great America.

Please see SignUp Genius to sign up to help!

The dates are May 5 and May 12 (7am-3pm) – several shifts available!

### **Volunteer Descriptions**

#### **Bus Greeter (Parents Only)**

Stationed at the front door, you are the first face the visiting ensemble will see. You'll greet the director, let the bus driver know where to park & let the director know what time the students are allowed inside. You'll monitor the traffic flow.

#### **Setup Crew**

You get to see every performance & reconfigure the stage after each one. You'll receive seating arrangements from the registration table as the units check in. It is your mission to be sure that seats & stands are moved & adjusted as needed.

#### **Registration Table (Parents Only)**

You'll help the directors check in, accept their seating plans and announcement sheets and give them their Six Flags tickets. Additional tickets can be purchased through you at that time - you'll be equipped with all the information you need.

#### **Snack/Drink/T-Shirt Table (Parents Only)**

We'll have a table set up in the pool lobby by the registration table where we'll sell Music in the Parks T-shirts, cold drinks and candy.

#### **Runner/Unit Escort (Students Only)**

The life-blood of the whole event. Each ensemble will be assigned an escort when they come into the building. That escort will be sure the unit gets to the warm-up room on time, then to the performance area, & finally safely back to their buses.

#### **Door Monitor (Parents Only)**

You'll make sure that nobody enters or exits a performance or warmup area during a performance or practice, and keep decorum in the hallways (tell folks to "BE QUIET"). Feel the power!

#### **Announcer**

This can be an adult or student but requires a mature attitude & appropriate attire (business casual). You will introduce the judges & the ensemble to the audience. After introducing the director, the director will announce their selection.
