

Warren Band Boosters Trivia Night Saturday, November 3, 2018 7:00pm

Dear Community Business Leader:

On November 3, 2018, the Warren Township High School Band Boosters is sponsoring its second annual Trivia Night fundraiser. The event will be held in the Black Box Theater at the Warren Township High School Almond Campus.

The Warren Band Boosters is soliciting the support of businesses like yours to donate merchandise or services to be auctioned at this event. We truly appreciate any donation your business is willing to give to our band program.

The Warren Band Boosters consists entirely of parents/guardians of students in the Warren band program. The Boosters support the Warren band program by assisting the band directors during competitions, concert events and football performances, along with chaperoning the students during off campus activities, and obtaining financial support for the Warren band program by organizing and executing fundraising activities throughout the year.

The Warren Township High School band program involves over 300 students. Musical organizations include five concert bands, three jazz bands, the Marching Blue Devils, the Competition Marching Band, pep band, and jazz combos. The High School takes great pride in offering a balanced program that has received significant State and National recognition for excellence in concert, jazz, and marching band.

The Trivia Night event is planned to host up to 24 teams in competition and is our main source of income for the Fall Semester. The funds are used to purchase/repair instruments, uniforms, and offer scholarships, among many other items throughout the year.

All donor names will be displayed at the event and on our website (www.wthsbands.org), which is a wonderful way to promote your business within the local community. Additionally, we are a registered 501(c)(3) Non-Profit Organization, so your donation may be tax deductible!

We thank you for participating in the Warren Band Booster Trivia Event. The students who will benefit directly from your generosity are especially grateful!

With much appreciation,

Lucy Carpentier
Trivia Night Chairperson
