

## 2018 WTHS Blue Devil Open Night Drumline Clinics!

---

Hey All –

Thank you for your interest in wanting to march on your High School's Drumline for the 2018 season! In order to help get a jump start on next season, WTHS will be hosting a few drumline clinics to have those that are interested in wanting to march or get some useful information on what we are looking for within the drumline. This is the first time we will be hosting an open night where drummers from other schools come together to learn and have fun, but nonetheless, will have the opportunity to grow as a player and gain some knowledge, while getting a head start on preparing for your school's upcoming marching season.
