2019 Camps are in the process of being set up.
Warren Township High School offers a wide variety of camps throughout the summer. Camps are designed to introduce participants to our programs, build upon skills and prepare for participation in high school programs. Participation in camps is not required for participation in any high school programs. Our fields have 2,000. Participation by high school students in summer programs must be voluntary and in no way be an actual or implied prerequisite for membership on any high school team. Our staff encourages voluntary participation in camps and urges parents to fully encourage participation. It is not necessary to register early just to reserve a spot unless a camp has a specific participation limit. Refunds will only be issued if a participant is not able to participate due to documented medical restrictions. Registration for camps remains open until the start date of each camp. Most of our camps are able to add additional staff to accommodate more participants.

Warren Township High School offers a wide variety of camps.

All registration is to be done online. If you have never registered for a program on this site, you will need to create a family account on this site prior to registering. Account user type and/or user name cannot be the same as any other user on the site.
• To view all camps, on the right side of this page about the sidebar click "Click for Advanced Search."
• For detailed registration information click "Help."
To view camp offerings by sport click on the program card below. If you do not see the camp you are looking for, check back later as we are still building our camp offerings for 2019.
Registration will be open for all camps no later than 5/31/19.
